Unveiling Accomplishments and Celebrating Success Stories

Welcome to the second edition of the AISSMS MEDIA newsletter! In this issue of August, we delve into the depths of this edition, we are excited to present a compilation of remarkable accomplishments, innovative initiatives, and vibrant activities from the diverse colleges within the AISSM Society. This newsletter encapsulates the spirit of learning and collaboration within our academic community, showcasing the collective efforts of students, educators, and administrators. Join us on this captivating journey as we highlight the exceptional endeavors that shape the ever-evolving landscape of education and beyond.

AISSM Society's Grand Independence Day Celebration

AISSM Society celebrated Independence Day with immense zeal and patriotic fervor. The day commenced with the traditional flag hoisting across AISSM Society's institutes, radiating a sense of unity and warmth. The celebration then transitioned into a remarkable display of cultural activities that enthralled the audience. The event featured impressive parades led by the NCC and RSP platoons, instilling a sense of discipline and pride. The entire AISSM Society actively participated in the festivities, symbolizing the unity and dedication that have been the hallmarks of our journey towards progress and freedom.

The Garden Department of AISSM Society proudly participated in an event organized by the Pune Municipal Corporation, where they clinched an impressive total of 27 prizes. Their delightful display showcased a beautiful array of fruits, colorful flowers, and fresh vegetables that captured everyone's attention. These awards included First, Second, and Third place honors, highlighting their dedication to creating outstanding gardens. In an exciting twist, they also secured incentive reward, showcasing their unique ability to thrill and engage visitors. AISSM Society's Garden Department truly deserves commendation for its exceptional efforts in beautifying green spaces.

Gazing at Shivaji Maharaj's Mighty Statue, Basking in Chandrama's Lunar Glow

Lokmat's recent feature shines a spotlight on the All India Shree Shivaji Memorial Society in Pune, where history and natural beauty converge harmoniously. The magnificent statue of Chhatrapati Shivaji Maharaj stands as a testament to his legendary valor and enduring influence, offering a profound source of direction and inspiration to all who behold it. Simultaneously, amidst the tranquil surroundings, the presence of Chandomama, casting its soothing shade, provides a complete and awe-inspiring vision. This captivating view of the Super Moon, captured on a Wednesday night, undoubtedly left a lasting impression, reminding us of the enchanting wonders that our world has to offer.

MoU with CREDAI Maharashtra

AISSMS College of Engineering and CREDAI Maharashtra have taken a significant stride by formalizing their commitment to addressing water and wastewater challenges through a Memorandum of Understanding (MoU). The signing ceremony was graced by Shri Malojiraje Chhatrapati, Hon. Secretary of AISSMS, and CREDAI Maharashtra's President Pramod Khairnar. Notable delegates from CREDAI Maharashtra, including Vice President Rajendra Yadav, Secretary Vidyanand Bedekar, Joint Secretary Ravindra Khilare-Pawar, Papalal Goyal (Convenor of the IGR committee), Mayur Shah (President of CREDAI Ichalkaranji), and Ranjit Naiknaware (President of CREDAI Pune Metro), participated in this collaborative effort led by Mr. Dhaval Jitkar, AISSM Society member. Dr. Bormane, Principal, AISSMS COE, played a pivotal role in championing the institution's commitment to addressing water-related challenges. Course Coordinator Prashant Walke and Marketing Executive Harshada Gaikwad made vital contributions to realizing this collaboration. Together, we are poised to drive innovation in water management, offering hope for a more sustainable future.

Seminar on Climate Change & Awareness on Importance of Solar Energy

AISSMS College of Engineering recently hosted an enlightening seminar on climate change and the pivotal role of solar energy, graced by the esteemed presence of Prof. Chetan Singh Solanki, known as the "Solar Man of India." In collaboration with the Energy Swaraj Foundation, this seminar aimed to heighten awareness about the pressing global climate crisis. Prof. Solanki delivered an impassioned keynote, emphasizing the urgency of collective action in addressing climate change. Attendees gained insights into the significance of eco-friendly solar energy. We would like to extend our heartfelt gratitude to Prof. Solanki for his invaluable contributions to this important cause.

Team Garudashwa's 2nd Rank in Best Aerodynamic Analysis at the SAE ISS Drone Development 2023

Amidst university exam disruptions and formidable competition, Team Garudashwa's unwavering dedication led to their proud 2nd rank achievement in Best Aerodynamic Analysis at the SAE ISS Drone Development 2023 in Chennai. Their 9-year winning streak received a strong boost despite unforeseen circumstances preventing their physical presence at the event, thanks to the collective support of faculty advisor Dr. D.Y. Dhande, Principal Dr. D. S. Bormane, Dr. S. V. Chaitanya, HOD, Mechanical Engineering and AISSMS management. Fueled by this success, the team remains resolute to exceed their accomplishments in upcoming challenges.

Presenting a comprehensive
2-week course on
**DOMESTIC RO
WATER PURIFIER
TRAINING**

Course Highlights:

- **Theoretical knowledge training in college campus and Actual Assembling of Domestic RO Training at the Company.**
- This course aims to provide students with an understanding of career opportunities in domestic RO.
- Workshops with industry-like equipment are included to help students develop their skills.
- Covers job opportunities in water purifier service centers and domestic water purifier assembling plants.
- It is ideal for individuals planning new start-up businesses in water purification.

Domestic and commercial RO training

AISSMS College of Engineering has recently introduced a 2-week course in Domestic and Commercial RO Training. This comprehensive program is specifically designed to accommodate individuals interested in acquiring proficiency in the operation and maintenance of both domestic and commercial Reverse Osmosis (RO) systems.

Within this specialized course, participants will receive specialized training that is finely tuned to meet the needs of those tasked with overseeing the effective performance of water purification units in residential and commercial settings. Students will delve deeply into the inner workings of domestic RO systems, covering critical topics such as system components, water purification processes, routine maintenance protocols, and troubleshooting strategies.

Greening the Future

In commemoration of the 77th Independence Day, the dedicated volunteers of NSS at AISSMS College of Pharmacy came together to initiate a meaningful act of environmental stewardship. Under the banner of the 'Mera Desh Meri Maati Program,' they organized a tree plantation drive. This noble endeavor not only pays homage to our nation's rich history but also reflects a deep commitment to nurturing our Mother Earth. As saplings took root on this special day, it symbolized a promise of growth, sustainability, and a greener, more vibrant future for all.

To enhance students' skills we are introducing

An initiative to immerse them in the industry and acquire hands-on practical experience alongside their coursework.

22nd To 23rd Aug 2023 | AISSMS College of Hotel Management and Catering Technology

Highlights:

- The job fair will be spread over 2 days, with time slots allocated to various restaurants/organizations.
- Restaurateurs will conduct presentations to the students about their concepts, philosophies, and expectations. These presentations will be followed by interviews.
- Restaurants are requested to make offers on the spot. This will enable students to decide, and thus avoid appearing for other interviews.
- Students would be encouraged to take up offers in accordance with their area of residence.

Details of Weekend Skilling:

- Three shifts per week – Friday, Saturday, and Sunday.
- Friday duty will commence in the afternoon/evening to ensure that students do not miss college (they may also be exempted from the last lecture).
- An experience certificate will only be issued by the restaurant upon the student's completion of a minimum of six months' work.
- Salary/Stipend will range from Rs. 5,500 to Rs. 7,500 per month.

AISSMS Institute of Information Technology (IOIT) recently had the privilege of hosting an enlightening Expert Talk session. This engaging event revolved around the pivotal global theme of "Abating Climate Change with Solar Energy." Esteemed guest speaker, Prof. Solanki, a distinguished authority from the Department of Energy Sciences and Engineering at IIT Bombay, illuminated the audience with groundbreaking insights on harnessing solar energy's potential to create a more sustainable future.

We are delighted to extend our warmest congratulations to Mr. Riyazahemed A. Jamadar, Associate Professor at AISSMS IOIT. We applaud his unwavering dedication and hard work in researching the "Internet of Things-Based Pomegranate Leaf Disease Detection System Using Deep Learning Algorithm." We wholeheartedly wish him success in all his future endeavors.

AISSMS INSTITUTE OF INFORMATION TECHNOLOGY (IOIT)

Heartiest
Congratulations

Mr. Riyazahemed A. Jamadar
Assistant Professor
Department of Information Technology

on the successful completion of **Ph.D.** with the research topic
"INTERNET OF THINGS BASED POMEGRANATE LEAF DISEASE DETECTION SYSTEM USING DEEP LEARNING ALGORITHM" from Singhania University

Under the guidance of
Dr. Anoop Sharma
Dr. Kishor Wagh

We wish him the best in all his future endeavors.

Regards
Dr. P. B. Mane
Principal, AISSMS IOIT

AISSMS INSTITUTE OF INFORMATION TECHNOLOGY (IOIT)

ADDING VALUE TO ENGINEERING

An Autonomous Institute Affiliated to Savitribai Phule Pune University
Approved by AICTE, New Delhi and Recognised by Govt. of Maharashtra
Accredited by NAAC with "A+" Grade | NBA - 5 UG Programmes

We're excited to congratulate Prof. Venkat Ghodke, Assistant Professor of E&TC Engineering, on the release of his 13th book titled "Industrial Psychology." The book is published by AGPH Books (Academic Guru Publishing House) based in Bhopal, Madhya Pradesh, India. This new book adds to Prof. Ghodke's impressive collection and will be really helpful for students, professionals, and anyone interested in Industrial Psychology.

May you continue to thrive in your academic endeavors and motivate numerous individuals with your wisdom and proficiency.

With great delight, we offer our sincere congratulations to Prof. Venkat Ghodke, esteemed Assistant Professor, E&TC Engineering, for the extraordinary accomplishment of securing a patent grant. This patent, bestowed by The Patent Office, Government of India, celebrates his ingenious work in designing a "Machine Learning-Based Stress Detection Device." We extend our wholehearted felicitations to him for achieving this significant milestone.

PRIVATE INDUSTRIAL TRAINING INSTITUTE

LEADER IN VOCATIONAL EDUCATION AND TRAINING

ISO 9001:2015 Certified, Approved by Government of Maharashtra
& Affiliated To DGT, New Delhi

Workshop on World Youth Skills Day

In celebration of "World Youth Skills Day" on the 15th of July, a constructive workshop took place at Sant Yadavbaba Secondary School in Sindwane, organized by AISSMS Industrial Training Institute. The event was specifically tailored for Class 10 (Technical) students, aiming to enhance their skill sets and empower them for a brighter future. Guided by the esteemed Group Director, Shri Sanjay Tatkare, and the knowledgeable Shri Shantanurao Savakhande, both students and parents were enriched by this enlightening workshop. Notable attendees included Principal S.P. Kanchan, Director Mrs. Vidyatai Yadav, and the dedicated teaching staff, making it a truly inspiring and knowledge-filled occasion.

AISSMS ITI Staff's Advanced Training with Talera Ford

Dedication to excellence is at the forefront as AISSMS Industrial Training Institute takes another stride toward skill enhancement. From the 8th to the 12th of August 2023, Shri. Godad S .M, Shri. Khaire M .T, and Shri. Powar D. S., esteemed members of the Motor Mechanic Vehicle and Diesel Mechanic Vehicle staff, embarked on an advanced training journey. This specialized training, generously provided by Talera Ford in Wagholi, signifies AISSMS ITI's commitment to staying at the cutting edge of automotive technology. These dedicated staff members now bring back invaluable expertise to share with their students, further enriching the institute's commitment to providing top-notch education in the automotive sector.
