# Unveiling Accomplishments and Celebrating Success Stories

Welcome to the fourth edition of the AISSMS MEDIA newsletter! In this issue of October, we delve into the depths of this edition, we are excited to present a compilation of remarkable accomplishments, innovative initiatives, and vibrant activities from the diverse colleges within the AISSM Society. This newsletter encapsulates the spirit of learning and collaboration within our academic community, showcasing the collective efforts of students, educators, and administrators. Join us on this captivating journey as we highlight the exceptional endeavors that shape the ever-evolving landscape of education and beyond.

## Honored and Humbled!

We are absolutely proud to announce that All India Shri Shivaji Memorial Society has been bestowed with the prestigious "Legacy of Educational Excellence, Rooted in Heritage" award by the Times of India.

Established with a profound vision to foster holistic education deeply rooted in our cultural heritage, AISSMS has dedicated itself to nurturing young minds, instilling values, and inspiring excellence. This award reflects our steadfast dedication to these principles.

We express our heartfelt gratitude to Times of India for this esteemed award, which further motivates us to continue our mission of shaping future leaders and contributing positively to society.

Dr. D. S. Bormane, the esteemed Principal of AISSMS College of Engineering, Pune, takes center stage as he is honored with the prestigious Educational Award by Marathwada Yuva Manch! His remarkable journey as the Principal of AISSMS College of Engineering, Pune, is not merely about receiving accolades; it's about carrying forward a legacy of unwavering commitment to providing value and educational excellence.

In congratulating Dr. Bormane, we celebrate not just an individual's achievement but also the enduring spirit of an institution dedicated to shaping the leaders and innovators of tomorrow.

## MoU AISSMS College of Engineering and Ethix Water Conditioner Pvt. Ltd.

A Memorandum of Understanding (MoU) was signed between AISSMS College of Engineering and Ethix Water Conditioner Pvt. Ltd., a leading name in water and wastewater management.

This MoU represents a significant stride for our institution and underlines our commitment to providing cutting-edge education and training opportunities to our students. Specifically, this partnership is centered around our Water and Wastewater Management Course, an area of study that holds immense importance today. We eagerly look forward to the achievements and advancements that will result from this partnership.

## The second episode of 'Vidyarthi Diaries'

'Vidyarthi Diaries' had the honor of hosting Omkar Jadhav and Shardul Kadam, from the Amuk Tamuk Podcast Network, during a recent visit. Their time with our students was a deeply enriching experience, leaving an indelible impact. They shared captivating stories and valuable insights from his extensive podcasting and content creation journey, motivating and inspiring our students to pursue their own creative passions and dreams. Their expertise and energy were truly motivating. The knowledge and experiences they shared have enhanced our 'Vidyarthi Diaries' podcast series, and we are grateful for his generosity in sharing their time and insights.

## Industrial visit to Megha Embedded System Pvt Ltd, Chakan

The Department of Electronics and Telecommunication Engineering at AISSMSCOE, in collaboration with the AISSMS COE IEEE Student Branch and the AISSMS COE Institution Innovation Council (IIC), successfully organized an enlightening industrial visit to Megha Embedded System Pvt Ltd, Chakan. The visit took place on September 27, 2023, for the SE-E & TC students and on October 11, 2023, for the TE-E & TC students. Notably, for the TE-E & TC students, this visit was a vital component of their Skill Development course.

During the visit, the students had the opportunity to witness a comprehensive demonstration of the PCB development setup and gain insights into the specific PCBs required for the Automotive, Industrial, and Agriculture sectors. The informative presentation was skillfully delivered by Mr. Swapnil Shewate, an expert from the company.

The success of this visit can be attributed to the diligent coordination efforts of Mrs. G. D. Salunke for the SE-E & TC students and Dr. R. R. Itkarkar for the TE-E & TC students.

## Visit to IFAT India Exhibition 2023

On October 18, 2023, students from the AISSMS COE Water & Wastewater Management Course attended the prestigious IFAT India Exhibition 2023 at the Bombay Exhibition Centre in Mumbai.

IFAT India is a premier trade fair dedicated to environmental technologies and sustainable solutions in India. It serves as a dynamic platform for professionals across various sectors, including water, sewage, waste, and recycling, to showcase their innovative products and services. The event fosters knowledge exchange, industry networking, and collaboration among key stakeholders, including policymakers and environmental experts. The exhibition features global exhibitors presenting cutting-edge technologies and solutions to address regional environmental challenges.

Heartfelt congratulations to Team Shivdarpan for their remarkable feat! "Kavyansh," the college magazine, has set new standards of excellence, claiming the top prize in the Professional category at SPPU, Pune City. Their unwavering dedication and creative prowess have not only illuminated minds but also touched the hearts of many. This victory is a testament to their commitment to quality and storytelling.

May this achievement be a stepping stone to even greater successes. We take pride in their accomplishments and wish you continued success in your literary journey.

## A One-day workshop on LoRa-based IoT-enabled Smart Lighting Systems for Smart Cities

Recap of the one-day workshop organized by the Computer Engineering Department at AISSMS Polytechnic, in collaboration with loGenies Solutions, Pune, and facilitated under the IEI Student chapter. The workshop, titled "LoRa-based IoT-enabled Smart Lighting Systems for Smart Cities," featured distinguished speakers, Mr. Pravin Kandekar, Senior QA Engineer, and Mr. Ankit Channa, Solution Architect, who generously shared their insights and expertise.

The workshop provided an engaging exploration of IoT technology and its significance in the context of smart lighting for urban development. Participants had the opportunity to gain practical insights into this cutting-edge field.

The poster features the logos of loGenies, AISSMS Polytechnic, and MSBTE. It states the workshop is organized by the IEI Student chapter of the Computer Engineering Department in association with loGenies Solutions, Pune. The event is titled "One-Day Workshop on 'LoRa-based IoT-enabled smart lighting systems for smart cities'" with speakers Mr. Pravin Kandekar (Sr. QA Engineer) and Mr. Ankit Channa (Solution Architect). The date is Friday, 06<sup>th</sup> October 2023, from 10:30 AM at Seminar Hall. Faculty coordinators include Mrs. V. C. Sanap, Mrs. H. A. Shinde, and Mr. S. Y. Divekar. The convener is Mr. V. N. Kukre (HOD, Computer Engineering) and Prof. S. K. Giram (Principal, AISSMS Polytechnic). Social media handles for @aissmpolytechnic and AISSMS.POLYTECHNIC are listed at the bottom.

The advertisement for 'Arohan' magazine features the AISSMS Polytechnic logo and the text "Introducing First Magazine". The title 'आरोहण' is written in large, stylized Devanagari script. Below the title, it says "Join the Arohan Magazine journey with Team Polyverse! Unleash your creativity under the theme 'मुक्तांगण' a cross our five vibrant sections. Your arts and writings shine here! Let your imagination soar!". Five circular icons represent the sections: ENGLISH, मराठी (Marathi), हिन्दी (Hindi), ART, and Technical. A QR code is provided for submission. Contact information includes Durgesh: 9579124116, Sparsh: 9322538189, and Sridhaya Navishankar TYCO-B. Social media icons for Instagram, Facebook, Twitter, YouTube, and LinkedIn are shown with the handle @aissms\_polytechnic.

## 'आरोहण' Magazine

Team Polyverse is excited to introduce 'आरोहण' Magazine, a platform curated under the theme 'मुक्तांगण,' signifying an open space for creative expression. This magazine offers students the opportunity to showcase their talents through articles, artwork, and various creative contributions across our five vibrant sections. It's a celebration of creativity, an avenue for your talents to shine. 'आरोहण' Magazine is where your creative spirit finds its voice.

## Successful completion of the two-days State Level Online Faculty Development Programme (FDP) on “AI in Engineering”

Featuring the successful completion of a significant educational initiative by the Department of Electronics and Telecommunication, Information Technology, and Automobile Engineering at AISSMS Polytechnic, Pune. Over the course of two enlightening days, from October 30<sup>th</sup> to October 31<sup>st</sup>, 2023, the department organized a State Level Online Faculty Development Programme (FDP) on the captivating theme of "AI in Engineering." This FDP was designed to provide a comprehensive and in-depth exploration of the application of Artificial Intelligence (AI) in the field of engineering. It served as a platform for educators, professionals, and enthusiasts to come together and gain insights into the cutting-edge developments, innovations, and practical applications of AI within the engineering domain. The event witnessed the active participation of educators, researchers, and practitioners who shared their expertise, knowledge, and experiences in the realm of AI. Through a series of engaging sessions, workshops, and discussions, participants delved into topics ranging from AI fundamentals to the latest trends and breakthroughs in engineering applications.
