Internal Smart India Hackathon 2023

Recently, AISSMS College of Engineering (AISSMS COE) hosted the Internal Smart India Hackathon 2023 selection event. The event aimed to identify the top 30 teams and select 5 waitlisted teams for the SIH 2023 Software/Hardware edition. It is indeed great to witness the profound impact of this event.

With a remarkable display of creativity and ingenuity, it served as a grand stage for our students to unveil their talents and innovative solutions. The collaboration, dedication, and enthusiasm that transpired throughout this endeavor have reaffirmed our commitment to pushing the boundaries of what is achievable in the dynamic world of technology and innovation.

AISSMS College of Engineering and CREDAI Maharashtra: A Promising Partnership for Water Management

In an exciting development, AISSMS College of Engineering and CREDAI Maharashtra have joined forces through a Memorandum of Understanding (MoU) to tackle water-related challenges and explore opportunities in water management.

This collaboration is set to pave the way for innovative solutions and a brighter, water-secure future. 'Engineering Today' brings you the latest on this promising partnership.

AISSMS Engineering Today-2023

The 'AISSMS Engineering Today-2023' Tech Fest, hosted by the All India Shree Shivaji Memorial Society's College of Engineering, took place on the 14th and 15th of September 2023. This remarkable tradition has been ongoing for an impressive 18 consecutive years, drawing enthusiastic participation from students.

The prestigious event was inaugurated by Mr. Sadashiv Pandit, the former Executive Chairman of Fleetguard Filters Private Limited. His presence added a touch of eminence to the occasion, setting the stage for two days of innovation and knowledge-sharing.

Department of Civil Engineering's CivisparK; Three Dynamic Technical Events

At the 18th Engineering Today 2023, the Department of Civil Engineering organized three dynamic technical events, offering a platform for students and professionals to share their expertise and insights. These events not only showcased the department's dedication to innovation but also fostered a spirit of collaboration and learning. The success of these activities was a testament to the hard work of the organizing committee, the active participation of students, and the support of faculty members. Looking back, this year's Engineering Today was a significant milestone, and it has left us eager for the exciting possibilities that future editions will bring.

No Vehicle Day: AISSMS College of Pharmacy Takes a Step Towards a Greener Future

Following 'No Vehicle Day' AISSMS COP, encouraged everyone to leave their cars behind and choose more eco-friendly ways of getting around, like walking, cycling, or sharing rides. The campus collectively embraced a day of eco-consciousness, leaving behind the steering wheel to make a positive impact on the environment. Throughout the day, students and faculty members set aside their usual means of transportation and instead opted for more eco-friendly modes of commuting.

The day was a success, and it showed us that making small changes in our daily routines can help our environment. It was a day of unity and a chance for us to show our commitment to protecting the environment.

Maza Ganpati' Eco-Ganpati Competition Turns Ganesh Chaturthi into an Eco-Friendly Celebration

Delighted to share the successful outcome of 'Maza Ganpati' - the Eco-Ganpati Competition hosted by AISSMS College of Pharmacy. This year, the college transformed Ganesh Chaturthi into a celebration that not only honored Lord Ganesh but also paid tribute to our precious environment. Participants were encouraged to tap into their inner artists, adhere to eco-friendly guidelines, and decorate their Ganesh idols and surroundings accordingly.

Expert Talk Series with Disha Shah, Founder, and CEO of GOFIG

AISSMS College of Hotel Management & Catering Technology's Innovation and Startup Cell, UDAAN, recently organized an insightful session as part of its Expert Talk Series. The event provided a platform for students to gain valuable insights into building a sustainable business model from waste, courtesy of Disha Shah, Founder, and CEO of GOFIG.

Disha Shah's expertise shone as she shared her vision and experiences with our students. She discussed GOFIG's innovative digital platform, which focuses on reducing waste by offering enticing discounts and promotions on low-shelf-life foods and cosmetics. In doing so, they aim to inspire a sustainable lifestyle.

Kudos to the NSS Team and Environmental Science Students of AISSMS CHMCT

A big shout-out goes to the dedicated NSS team and the passionate environmental science students of AISSMS CHMCT. They joined forces for a commendable clean-up drive, diligently removing plastic garbage and litter from the vicinity of the Nadipatra area, the PMC building, and the bus stand in Pune. The commitment displayed by these individuals serves as a potent reminder that the key to a cleaner planet truly rests in our hands. Their collective efforts towards a cleaner and greener environment are both commendable and inspiring.

Reflecting on the Engaging Workshop on Usability Testing and User Experience Evaluation in HCI

We look back with appreciation on the insightful 2-Day Workshop that delved into the fascinating realms of Usability Testing and User Experience Evaluation in Human-Computer Interaction (HCI). Our lead instructor, Mr. Sushank Dahiwadkar, Co-Founder, and seasoned expert at Wisdom Sprouts, expertly guided participants through the intricacies of optimizing user interfaces and elevating user satisfaction. It was a valuable opportunity to enhance our understanding of user experiences and usability testing, and we're grateful for the engaging discussions and learning that took place.

The Success of the Internal Smart India Hackathon 2023 (SIH-2023)

AISSMS Institute of Information Technology (AISSMS IOIT) recently hosted the selection event for the Internal Smart India Hackathon 2023 (SIH-2023). The event served as a prominent platform for our students to exhibit their creativity, innovation, and problem-solving skills. It was truly great to witness the outstanding talent and groundbreaking solutions presented by our students. The collaboration, dedication, and enthusiasm that permeated every facet of this endeavor have reaffirmed our commitment to pushing the boundaries of what is achievable in the dynamic world of technology and innovation.

Reflecting on the Engineer's Day Celebration 2023 at AISSMS IOIT

We look back with delight at the Engineer's Day Celebration 2023 held at AISSMS Institute of Information Technology (AISSMS IOIT). The event featured an insightful and inspiring "Expert Talk on the Occasion of Engineer's Day," showcasing the distinguished Mrs. Umadevi Kannayan, Head of The Orbit Trajectory Design and Maneuver Planning Division at UR Rao Satellite Centre, ISRO, Bangalore. The celebration was a remarkable occasion, filled with knowledge and inspiration. Mrs. Umadevi Kannayan's expertise and insights into the world of engineering and space exploration left a lasting impact on all who attended. It was a true honor to have her as our guest.

Recap of Avishkar-2023

We reflect on Avishkar-2023, a college-level research competition that provided a platform for students to explore their curiosity, engage in in-depth research, and present their findings. This unique event went beyond the ordinary, encouraging participants to dive deep into the world of academic discovery.

Avishkar-2023 was a celebration of intellectual prowess, where participants had the opportunity to shine and share their insights with the academic community. We're thrilled to have witnessed the enthusiasm and dedication of all those who participated, making this event a resounding success.

AISSMS IOIT Signs MoU with SVR Robotics

We are delighted to share that the Department of Instrumentation at AISSMS Institute of Information Technology (AISSMS IOIT) in Pune has signed a Memorandum of Understanding with SVR Robotics, Pune. This collaboration marks a significant stride towards keeping our students updated on the latest technologies through workshops and training programs.

This initiative is under the coordination of Mrs. Chitralekha Rananaware, guided by HOD Dr. Amita Shinde, and under the leadership of Principal Dr. P. B. Mane at AISSMS IOIT Pune. We are excited about the wealth of knowledge and opportunities this partnership will bring to our students and the institution. Stay tuned for more updates on this exciting venture!
