A compelling session on "Gender Equality and Women's Empowerment"

AISSMS College of Engineering's Vishakha Cell conducted a compelling session on "Gender Equality and Women's Empowerment" on November 2, 2023, featuring Dr. Mrs. Lalita Kangude Navale as the distinguished speaker. Attended by 85 students and teaching staff, the event, coordinated by Dr. Mrs. Priya Gajjal, showcased the institution's commitment to fostering awareness on crucial societal issues. The continued support from Shri Malojiraje Chhatrapati, Secretary of AISSM Society, the AISSM Society management, and Dr. D.S. Bormane, the Principal, underscored the collaborative efforts in organizing impactful events. The session's success reinforces the institution's dedication to holistic education and inclusivity.

"आपुलकीची दिवाळी फराळ वाटप-मिठाई वाटप"

The National Service Scheme (NSS) volunteers at AISSMS College of Engineering Pune orchestrated a thoughtful event titled "आपुलकीची दिवाळी फराळ वाटप-मिठाई वाटप" to celebrate the Diwali Festival with cleaning workers and guards. In a gesture of appreciation and camaraderie, the volunteers organized a festive gathering, sharing Diwali sweets and snacks with these essential members of the college community. This initiative reflects the NSS team's dedication to fostering a sense of unity and gratitude during festive occasions, reinforcing the spirit of togetherness within the AISSMS College of Engineering community.

AISSMS Polytechnic organized a fruitful visit for students to the AISSMS Institute of Information Technology's IEEE Affordable Agriculture Lab on October 27, 2023, as part of their Capstone project. Under the guidance of Prof. Mrs. Varsha K Patil, students delved into various facets of agriculture development, projects, and best practices. Noteworthy demonstrations included agriculture website showcases by student groups led by Mr. Nikhil Chaphe and Janvi. Entrepreneur Mr. Ankit Sonwane provided motivational insights, preparing students for entrepreneurship. Accompanied by dedicated faculty members Ms. V. S Gaikwad, Mr. Kale, and Ms. Chanda Maind, the visit seamlessly connected theoretical knowledge with practical applications in agriculture technology.

AISSMS Polytechnic proudly congratulates Mrs. Santoshi Shete, IT Department Lecturer, for securing the runner-up position in the UG/PG/Citizen Group Essay Competition hosted by Pune Municipal Corporation's Indradhanushya Environment Education & Citizenship Centre, Pune. Mrs. Shete's dedication and passion shine through this achievement, and we eagerly anticipate her continued success and valuable contributions to our institution. Well done!

Heartiest Congratulations

The recently concluded Institution of Engineers (India) Pune Local Centre Election 2023-25 witnessed a significant victory as Prof. A. N. Gedam, Lecturer in Computer Engineering at AISSM Polytechnic, emerged triumphant, representing the Computer Engineering Division. Prof. Gedam's success is a testament to his dedication and expertise in the field. The event celebrated not only his individual achievement but also the recognition of AISSM Polytechnic in shaping leaders within the engineering community. We extend our heartfelt congratulations to Prof. Gedam and eagerly anticipate the positive impact he will bring to the role.

A one-day workshop

The recently concluded one-day workshop at AISSMS Polytechnic, organized by the IEI Student Chapter in partnership with the Electronics and Telecommunication Engineering Department, proved to be a resounding success. SY EJ students delved into the intricacies of RF Analysis with enthusiasm, guided by seasoned industry experts. The workshop featured a comprehensive exploration of Vector Network Analyzers and Spectrum Analyzers, unraveling the power within the RF Spectrum. The event provided valuable insights, fostering a deeper understanding of these technologies among the participants.

AISSMS Institute of Management Training and Placement Cell organized Psychometric Tests for MBA I year students, followed by counseling sessions conducted on October 4th, 5th, 6th, and 16th, 2023. This collaborative effort with IHHI - Professional Agency aimed to provide students with valuable insights into their mental capabilities and behavioral styles. The Psychometric Test, comprising Aptitude and Personality components, generated individual reports for each student. Professional counseling based on these reports offered guidance on leveraging strengths and addressing weaknesses. This initiative not only aids in personal development but also assists students in making informed decisions regarding their specialization.

AISSMS Institute of Management's Training and Placement Cell conducted a Certificate Program on 'Soft Skill Module II' in collaboration with IHHI for MBA II year students from October 16th to October 20th, 2023. As part of the 'Career Vista: Campus to Corporate' initiative, this program focused on crucial soft skills like Group Discussion, Personal Interview, Communication, Team Task, Role Play, and Leadership. The aim was to enhance students' employability by equipping them with effective communication, interpersonal, and interview skills essential for their future careers. The program, offering workshops and activities, was designed to boost confidence, critical thinking, and teamwork abilities.
