Successful completion of Water India Water Expo 2024

The Water India Water Expo 2024 showcased innovation and dedication in water and wastewater management, with AISSMS COE's Water and Wastewater Management Course leading the charge. Their expertise and commitment were on full display, thanks to the tireless efforts of students and faculty who presented course details and advanced knowledge in the field. Supporting their endeavors were three dedicated volunteers from AISSMS IOM, whose assistance throughout the expo was invaluable. As visitors explored exhibits and engaged in discussions, it became clear that collaboration and innovation are vital for addressing water sector challenges effectively.

SE-E & TC Students' Heartwarming Visit to Mother Teresa Home

In a heartening collaboration between the Department of Electronics and Telecommunication Engineering and AISSMS COE IEEE student branch, a social visit was organized on October 27, 2023, to Mother Teresa Home, Missionary of Charity in Shivaji Nagar, Pune. The home, known for providing essential comfort to society's neglected individuals, especially girls and women, received a warm visit from SE-E & TC students. Engaging with elderly women and girls, students brought smiles through games, songs, and dances. Sister Eliana shared insights into the challenges faced by the elderly, highlighting the home's compassionate care. Coordinated by Dr. R. R. Itkarkar and G. D. Salunke, the visit garnered appreciation from Dr. D. S. Bormane, with support from Honorary Secretary Shri Maloji Raje Chhatrapati and AISSMS management, acknowledging the faculty and students' efforts.
