# Unveiling Accomplishments and Celebrating Success Stories

Welcome to the Eighth edition of the AISSMS MEDIA newsletter! In this issue of April, we delve into the depths of this edition, we are excited to present a compilation of remarkable accomplishments, innovative initiatives, and vibrant activities from the diverse colleges within the AISSM Society. This newsletter encapsulates the spirit of learning and collaboration within our academic community, showcasing the collective efforts of students, educators, and administrators. Join us on this captivating journey as we highlight the exceptional endeavors that shape the ever-evolving landscape of education and beyond.

## Electrical Engineering Alumni Meet 2024

The Department of Electrical Engineering held a successful Alumni Meet on Saturday, April 6th, 2024, bringing together graduates from across the years. It was an evening of reconnection, reminiscing, and celebrating the shared experiences that have shaped the department's legacy.

## COE Collaborates with CREDAI Maharashtra on Successful Water Management Course

The College of Engineering recently concluded a successful first run of its water and wastewater management course designed specifically for Rohan Builders, in collaboration with CREDAI Maharashtra. The program culminated in a felicitation ceremony held during the CREDAI Maharashtra AGM at Le Meridien Pune, where the college acknowledged the collaborative efforts and achievements.

## Civil Engineering Department Hosts Workshop on Intellectual Property Rights

The Department of Civil Engineering, in collaboration with the Institution's Innovation Council (IIC), successfully organized a workshop on "Intellectual Property Rights and IP Management for Start-Ups" on October 18th, 2023. This event coincided with the national celebration of "Dr. A P J Kalam Innovation and Start-Up Week". The workshop featured Ms. Jaspreet Kaur, Examiner of Patents & Designs at the Patent Office Mumbai under the Ministry of Commerce & Industry, as the esteemed speaker. Ms. Kaur provided valuable insights on intellectual property rights and their crucial role in managing start-ups.

## World Intellectual Property Day: Equipping Students for Innovation

The Department of Civil Engineering and Electronics and Telecommunications joined forces to celebrate World Intellectual Property Day on April 26th, 2024. To mark this occasion, they organized a captivating one-day workshop titled "Intellectual Property and IP Management for Startups." The workshop, held from 10:30 AM to 4:30 PM, was led by Dr. R. R. Itkarkar and Mr. V. B. Gawai. The program was specifically designed to equip students with the knowledge and tools necessary to protect their innovative ideas and navigate the startup landscape. Three distinct sessions were conducted, featuring Dr. V. N. Patil, Innovation Ambassador from the Ministry of Education's Innovation Cell, as the esteemed speaker. Dr. Patil's expertise provided valuable insights on intellectual property (IP) and its effective management, empowering students to safeguard their inventions and creations.

**Learn IP secrets, secure your ideas & launch your startup!**

Join us for the **WORKSHOP** on **Intellectual Property Rights and IP Management for Start-Up** organized to celebrate World Intellectual Property Day.

**What you'll learn:**  
Session 1: IPR BASICS  
Session 2: Patent Application Process  
Session 3: IP management for Startup

**FRIDAY, 26<sup>th</sup> APRIL 2024**  
10:30 AM - 4:30 PM Venue: CTF

**Speaker**  
**Dr. Vidya Nitin Patil**  
Professor, Innovation Ambassador

## AISSMS COE Pune Attends Inspiring Inauguration of Vikasit Bharat 2047 Ustav

A delegation of students from AISSMS COE Pune had the privilege of attending the inspiring inauguration ceremony of the Vikasit Bharat 2047 Ustav on December 11th, 2023, at 10:15 AM. The event was addressed by the Honorable Prime Minister of India, who delivered a motivating speech that ignited a passion for innovation and startup idea generation among the students.

## AISSMS COE Pune Joins The Climate Reality Project's Green Campus Program!

A significant step towards sustainability! AISSMS College of Engineering is proud to announce its registration for The Climate Reality Project Foundation's flagship program, the Green Campus Program (GCP). This program aligns perfectly with our college's vision for a sustainable future. The GCP serves as a transformative catalyst, aiming to convert conventional campuses into eco-friendly spaces.

## Computer Engineering Department Ignites Innovation Spark During "Dr. A P J Kalam Innovation and Start-Up Week"

The Department of Computer Engineering, in collaboration with the Institution's Innovation Council (IIC), successfully organized an "Orientation Session" on October 20th, 2023, to commemorate "Dr. A P J Kalam Innovation and Start-Up Week." This session specifically targeted second-year computer engineering students, igniting their passion for innovation and entrepreneurship. Dr. S. F. Sayyad, Associate Professor in the Department of Computer Engineering and an Innovation Ambassador, served as the esteemed speaker for the event. Dr. Sayyad leveraged her experience to create a welcoming and engaging environment for the students. She guided them through the exciting journey from the spark of an idea to its successful transformation into a thriving innovation.

## AISSMS COE Pune's TRIZ Chapter Hosts Successful Talk on Innovation

Attention all innovation enthusiasts! The TRIZ Chapter at AISSMS College of Engineering, Pune, recently concluded a captivating session titled "TRIZ Talks Chapter 23" on April 26th, 2024, at 4:00 PM IST. TRIZ Talks serves as a valuable platform for professionals to learn, share, and explore the practical applications of TRIZ, a methodology for problem-solving and innovation. This forum caters to both beginners and experienced practitioners, fostering a collaborative environment for knowledge exchange and skill development.

## AISSMS Polytechnic's Electronics & Telecommunication Students Shine at TECH TITANS 2K24.

Congratulations to our exceptional Electronics and Telecommunication Engineering students - Khushi Rao, Varsha Chavan, Pushkar Yadav, and Minal Waghmare - for their outstanding achievement at the Intercollegiate project competition, TECH TITANS 2K24, organized by Pimpri Chinchwad Polytechnic Pune! Their dedication and hard work culminated in securing the prestigious Second Consolation Prize, a remarkable accomplishment that brings immense pride to the entire AISSMS College of Engineering (AISSMS COE Pune) community.

## AISSMS COE Pune Celebrates Triumph at TECHEXPO 2K24 Poster Presentation!

- A resounding congratulations to our
- exceptional Electronics and
  - Telecommunication Engineering
  - students – Pranali Vijaykumar Thorat, Neha Ankushrao Pandurang, and Jadhav Shruti Shahaji – for clinching the top spot at the TECHEXPO 2K24 Poster Presentation Competition!
- This remarkable accomplishment, held at Trinity Academy of Engineering, Pune, not only garnered them immense pride and recognition.

## AISSMS Polytechnic's Bhayani Rashi Nayan Shines at TECHNOTHON 2024 Startup Competition

A round of applause for Bhayani Rashi Nayan, a bright second-year Electronics and Telecommunication Engineering student at AISSMS College of Polytechnic! Rashi's exceptional entrepreneurial spirit and innovative thinking recently landed her the prestigious 3rd place at the TECHNOTHON 2024 Startup Competition, organized by Anantrao Pawar College of Engineering and Research, Pune. TECHNOTHON 2024 provided a launchpad for aspiring student entrepreneurs to showcase their business ideas, compete for funding, and gain valuable insights from industry experts. Rashi's innovative concept undoubtedly impressed the judges, placing her among the top contenders in the competition

## Food Photography and Styling Workshop at AISSMS CHMCT

The art of food presentation goes beyond taste. The visually stunning presentation is both aesthetically pleasing and highly appetizing. Recognizing this, AISSMS College of Hotel Management and Catering Technology (CHMCT), Pune, recently held a captivating session titled "Food Photography and Styling" for their final-year Food Production specialization students. This engaging workshop delved into the transformative world of food photography, equipping students with the skills to translate culinary creations into captivating visual narratives.

## AISSMS CHMCT Pune Empowers Students to Soar with Accor's Take Off Challenge!

AISSMS College of Hotel Management and Catering Technology (CHMCT), Pune, recently hosted a dynamic session featuring Ms. Neha Pant and Ms. Purnima Sehgal, Learning & Development Managers from Ibis and Novotel, Pune, respectively. The session aimed to ignite the innovative spirit within students and encourage them to participate in the prestigious Accor Take Off Challenge. This international competition, organized by the Accor Group, provides a launchpad for budding hospitality professionals to showcase their problem-solving skills and propose creative solutions to real-world challenges faced by the industry.

## AISSMS College of Hotel Management and Catering Technology (CHMCT) Pune is celebrating student success.

AISSMS College of Hotel Management and Catering Technology (CHMCT) Pune is celebrating student success. 41 final-year students secured positions at the Gaylord Texan Resort in Texas, USA, while 17 others landed placements at renowned properties like Gaylord Rockies Resort & Convention Center, Fairmont Grand Del Mar, and Auberge du Soleil. The college extends gratitude to Ashiraj Consultants and Career4You for their placement support. In another achievement, 23 VET by EHL students were selected for an on-the-job training program at the Taj Mahal Palace and Taj Lands End in Mumbai.

## AISSMS CHMCT Pune Strengthens Faculty Expertise in Research Ethics and Scholarly Writing

In a commitment to fostering excellence in research and scholarly contributions, AISSMS College of Hotel Management and Catering Technology (CHMCT), Pune, recently organized a workshop on research ethics and scholarly paper writing. The session featured Dr. Lalit Prasad as the esteemed guest speaker. Dr. Prasad's expertise enlightened faculty members on the crucial aspects of ethical research conduct and effective academic writing.

## AISSMS CHMCT Assembly Highlights Student Excellence

In a recent assembly gathering, Dr. Sonali Jadhav engaged with students, seeking feedback on the recent farewell lunch for final-year students. The session also honored outstanding contributions from the Media team, NSS team, and Cyber Security enthusiasts. Sae Kulkarni and Pranav Dabhade were celebrated as the Best Outgoing students, embodying excellence and leadership. The event underscored the college's commitment to fostering a culture of achievement and excellence.

## AISSMS CHMCT Welcomes Alumnus Mr. Smarn Shetty for Inspirational Talk

The final year students of the AISSMS College of Hotel Management and Catering Technology (CHMCT) were recently treated to an enlightening session with esteemed alumnus Mr. Smarn Shetty, owner of the popular Piatto Cafe. Mr. Shetty shared his wealth of experience and insights from his journey in the hospitality industry, offering valuable guidance to the aspiring hoteliers. The session no doubt proved to be a significant learning experience for the students.

## AISSMS CHMCT Welcomes Tamara Leisure Experiences for "Responsible Hoteliers of Tomorrow" Program

The AISSMS College of Hotel Management and Catering Technology (CHMCT) recently hosted an exciting campus visit by representatives from Tamara Leisure Experiences. Mr. Arul Sudhakar, Corporate Human Resources, and Mr. Saswata Banerjee, General Manager of The Tamara Coorg, introduced the college community to the esteemed "Responsible Hoteliers of Tomorrow" (RHT) program. This unique 6-week program, scheduled for July-August, is designed to nurture future leaders in the hospitality industry. It promises to equip aspiring students with valuable insights, practical skills, and enriching experiences. Additionally, participants will receive a stipend to support their learning journey.

## AISSMS CHMCT First Year Students Gain Insights from Industry Experts

First-year students at AISSMS College of Hotel Management and Catering Technology (CHMCT) recently participated in an insightful session led by industry veterans Ms. Poonima Somayaji and Chef Ashutosh Belgaonkar.

Ms. Somayaji, founder of Aragma Experiences, and Chef Belgaonkar, a renowned culinary professional, shared their extensive expertise on the essential qualities required for excellence in food and beverage service. Their session provided valuable guidance to the aspiring young professionals, equipping them with the knowledge and understanding to thrive in this dynamic field.

## AISSMS CHMCT Ignites Culinary Passions with Short Courses

Calling all food enthusiasts! AISSMS College of Hotel Management and Catering Technology (CHMCT) recently concluded a series of engaging short courses that tantalized taste buds and ignited culinary creativity. Participants had the opportunity to delve into a variety of exciting topics, from mastering the art of delectable bakery treats to embarking on a flavorful exploration of international cuisine. CHMCT also hosted a special "Little Chefs' Program," designed to nurture the talents of aspiring young cooks aged 8 to 11. This program provided a fun and educational environment where children could learn basic cooking skills, explore different flavors, and create delicious memories

## AISSMS CHMCT First-Year Students Immerse Themselves in the World of Coffee

First-year students at AISSMS College of Hotel Management and Catering Technology (CHMCT) embarked on a flavorful journey recently, visiting Third Wave Coffee on FC Road. At the store, students were welcomed by Mr. Mrunal Janbandhu, the store manager, who led an engaging session on the rich aroma and history of coffee. Mr. Janbandhu's expertise provided valuable insights into the fascinating world of coffee, from its origins to its global popularity. Students had the opportunity to witness firsthand the art of coffee brewing through demonstrations of pour-over and French press methods. This hands-on approach allowed them to not only learn the techniques but also appreciate the intricacies of brewing the perfect cup.

## AISSMS Institute of Information Technology Hosts Informative Session on Web Development

The Department of Information Technology at AISSMS Institute of Information Technology, in collaboration with the ACM Student Chapter, recently hosted an informative industry talk titled "Web Application Development using Node JS with GitHub Implementation." The event featured keynote speaker Mr. Shahbaz Khan, Director of Novercion Pvt. Ltd., Pune. Mr. Khan's expertise in the field provided valuable insights to the student audience.

## AISSMS IOIT Collaborates on Workshop for "IPR Essentials and Technology Transfer"

The AISSMS Institute of Information Technology recently joined forces with C-DAC, Pune Management Association, and the Ministry of Electronics and Information Technology to host a workshop titled "IPR Essentials: Enhancing Technology Transfer Through Strategic IP Management."

Held on March 13, 2024, the workshop provided valuable insights for a diverse audience, including entrepreneurs, startup cell members, faculty members, and students.

The sessions explored the fundamentals of Intellectual Property Rights (IPR) and their importance in technology transfer. Participants gained practical knowledge on how to strategically manage IP to facilitate the successful transfer of technology from research institutions to commercial applications.

## AISSMS IOIT Empowers Students with Study Abroad Seminar

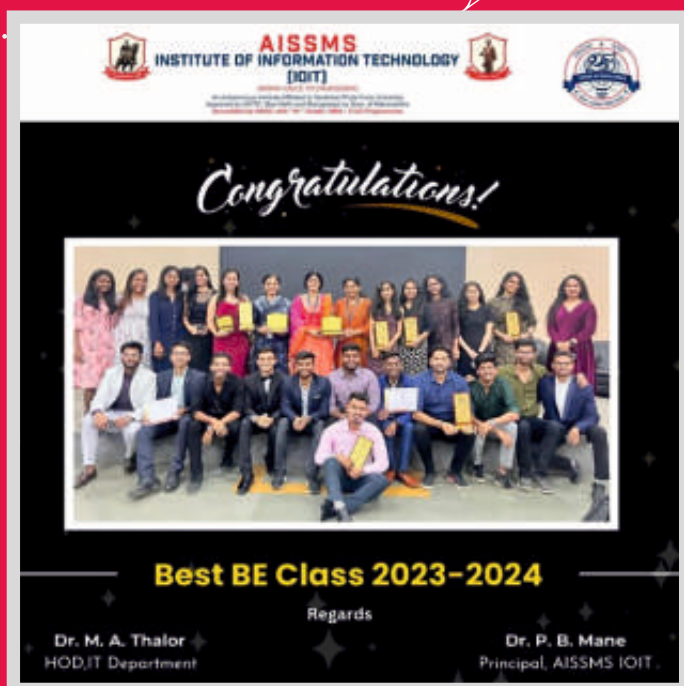

The AISSMS Institute of Information Technology hosted a captivating seminar recently, empowering students to explore the possibilities of studying abroad. Ms. Nimish Rathkanthiwar, a seasoned expert in the field, guided students through the exciting world of international education. The seminar delved into the transformative experiences of studying abroad, from cultural immersion to career path exploration. Ms. Rathkanthiwar's insights equipped students with valuable knowledge and ignited their passion for pursuing academic opportunities beyond borders.

## AISSMS IOIT Department of Information Technology Garner Prestigious Recognition

The AISSMS Institute of Information Technology is thrilled to announce that the Department of Information Technology has been awarded the prestigious title of "Best BE Class for the year 2023-24." This remarkable achievement is a testament to the department's unwavering commitment to academic excellence and student success.

The Department of Information Technology has consistently fostered a dynamic learning environment that equips students with the knowledge, skills, and critical thinking abilities necessary to thrive in the ever-evolving IT industry. This recognition serves as a validation of the department's dedication to providing a world-class education to its students.

## Dr. Mrunal Pathak Receives 'Best BE Class GFM for 2023-24' Award

Dr. Mrunal Pathak from the Department of Information Technology has been honored with the 'Best BE Class GFM for 2023-24' award. This recognition is a testament to Dr. Pathak's exceptional dedication and contributions to our institution.

## Electrical Engineering Department Hosts Farewell and Prize Distribution Ceremony

The Department of Electrical Engineering at AISSMS IOIT held a farewell and prize distribution ceremony on April 16th, 2024, to celebrate the achievements of its graduating students and bid them farewell as they embarked on a new chapter in their lives.

The ceremony served as a heartwarming occasion to reminisce about the past and look forward to the future. A short audiovisual presentation took the graduating students on a nostalgic journey down memory lane, while final year students Utkarsh Pawar, Mayuri Deshpande, Pawan Katampalle, and Krushnakant Kulkarni shared their fond memories with their peers and faculty.

Mrs. K. S. Gadgil, the Alumni Coordinator, extended her congratulations to the graduating class and offered her valuable insights. The ceremony also witnessed the inauguration of the departmental newsletter for the academic year 2023-24 in the presence of faculty members and students.

## Electrical Engineering Department Hosts Awareness Program on Women's Health

The Department of Electrical Engineering at AISSMS IOIT, in collaboration with the IIED Cell and ISTE, successfully organized an expert lecture on Women's Health Awareness on April 5th, 2024, in commemoration of Women's Day. This program aimed to empower and educate girl students on various health concerns specific to women.

The lecture addressed a range of topics, including personality development, mental health issues, pre and post-menopause concerns, PCOD, PCOS, thyroid problems, fibroids, cysts, and irregular periods. By addressing these topics openly and directly, the program sought to break down social stigmas and encourage open communication about these crucial health issues.

## AISSMS IOIT Ignites Innovation at Startup Fest

The AISSMS Institute of Information Technology (AISSMS IOIT), Pune, recently hosted a dynamic "Startup Fest" organized by their Innovations, Incubation & Entrepreneurship Development Cell (IIEDC). This event provided a launchpad for budding student entrepreneurs, fostering a collaborative environment for them to exhibit, connect, and showcase their innovative products and solutions.

## SY B.Tech Electrical Engineers Showcase Innovation at IET Karmaveer Expo

AISSMS Institute of Information Technology (AISSMS IOIT) is proud to recognize the achievements of Mukuk Falak and Sushant Bhojane, SY B.Tech Electrical Engineering students. The duo participated in the prestigious IET Karmaveer Expo, a National Level Working Model Competition & Project Exhibition held in Nashik from April 5th-6th, 2024. They impressed the judges with their innovative project titled "Training & Demonstration Panel for Smart Multifunction Meters." This project highlights their potential to contribute to the evolving field of smart grid technology.

## AISSMS IOIT Instrumentation Dept Hosts Innovation Challenge with BOSTON Scientific

The Department of Instrumentation Engineering at AISSMS Institute of Information Technology (AISSMS IOIT) partnered with BOSTON Scientific, IIC, TechnoHealth Club, and AISSMS IOIT ISA Student Chapter for a program on innovation and problem-solving.

This initiative included "The Ideation Challenge" for SY B.Tech, TE, and BE students and a workshop led by BOSTON Scientific experts. The workshop covered STEM, ideation, intellectual property, and BOSTON Scientific products, equipping students with the skills to tackle real-world problems with innovative solutions.

## Instrumentation Engineering Department Ignites Innovation

The Department of Instrumentation Engineering at AISSMS Institute of Information Technology (AISSMS IOIT) hosted a session on "Process of Innovation Development" for its students. Mr. Amit Saxena from Alliance Solutions Pune shared his expertise, guiding students through the various stages of bringing an idea to life. This session, organized by the Department of Instrumentation Engineering Innovations, Incubation -Entrepreneurship Development Cell, IIC, Techno Health Club, and AISSMS IOIT ISA Student Section, empowered students to think creatively and translate their innovative ideas into reality.

## NextGen Emerge Expo 2024

### AISSMS IOIT's Department of Engineering Sciences Hosts Successful Project Competition

AISSMS Institute of Information Technology's (AISSMS IOIT) Department of Engineering Sciences recently concluded a remarkable event - the "6th National Level Project Competition Cum NextGen Emerge Expo 2024." This exciting competition provided a platform for students to showcase their innovative engineering projects and engage with a wider audience.

## Pune Auto Expo Visit

The Department of Electrical Engineering organized a visit to the Pune Auto EXPO for SY BTECH students on April 19, 2024. During the visit, students gained insights into EV bus operations and learned about various EV components and their applications. They also explored EV autos and three-wheeler cargo vehicles, and at the exhibit they learned about automobile components, agricultural parts, and fasteners and they were introduced to innovative systems such as the Sarvatra Bridging System, Modular Bridging System, and Confined Space Remotely Operated Vehicle. Dr. A.D. Shiralkar, Head of the Department of Electrical Engineering, along with Mrs. K.S. Gadgil, Mrs. S.S. Landge, and Mrs. V.P. Kuralkar, accompanied the students during the visit.

## A Look Back at AISSMS IOIT's Open House Success

The Department of F.Y. B.Tech at AISSMS IOIT hosted a dynamic Open House event on April 26th, welcoming prospective students and igniting their passion for engineering careers.

This immersive event offered a glimpse into the exciting world of engineering at AISSMS IOIT. Attendees explored ongoing projects, participated in hands-on activities, and interacted with experienced admissions counselors and current students. The event provided a valuable platform for prospective students to ask questions, gain insights, and discover if AISSMS IOIT is the right fit for their academic journey.

## AISSMS IOIT Students Shine at Project Competitions

AISSMS Institute of Information Technology (AISSMS IOIT) students have made a remarkable mark at recent project competitions, showcasing their talent and innovation.

Yash Vyavahare, Tanmayee Mali, Lilavati Mhaske, and Sayali Patil, guided by Dr. M. A. Thalor, secured a well-deserved 1st place at the ASPIRE 2K24 National Project Competition held at Modern College of Engineering, Pune. Their project, titled "River Pollution Detection and Quantification with Aerial Imagery using YOLOv8," impressed the judges with its potential impact on environmental monitoring.

Furthermore, the team secured a commendable 1st runner-up position at the Wadia College of Engineering Pune Project Competition 2024. These achievements are a testament to the dedication and hard work of the students and their faculty mentors. AISSMS IOIT is proud to celebrate their success!

## AISSMS IOIT Students Shine at National Level Project Competition

- AISSMS Institute of Information Technology is proud to recognize the achievements of SY BTech Electrical Engineering students, Mukuk Falak and Sushant Bhojane. The duo participated in the prestigious IET Karmaveer Expo, a National Level Working Model Competition & Project Exhibition held in Nashik from April 5-6, 2024.

Falak and Bhojane impressed the judges with their innovative project titled "Training & Demonstration Panel for Smart Multifunction Meters." Their project aimed to bridge the knowledge gap regarding smart meters, providing a user-friendly platform for training and demonstrations.

## AISSMS IOIT Celebrated World Intellectual Property Day

On April 26th, AISSMS IOIT joined the global community in celebrating World Intellectual Property Day. This year's theme, "IP and the SDGs: Building our common future with innovation and creativity," emphasized the importance of intellectual property (IP) in driving solutions for a sustainable future. Through various activities and discussions, the institute explored how IP rights empower innovators and creators to address global challenges. This served as a valuable learning experience for students and faculty alike, highlighting the critical role IP plays in fostering a sustainable and innovative society.

## Electrical Engineering Department Raises Awareness of Fire Safety

The Department of Electrical Engineering at AISSMS IOIT, in collaboration with the IEI Pune Local Center, recently organized an informative expert lecture for SY B.Tech Electrical students on May 2nd, 2024. The session focused on "Fire & Live Safety in Electrical Safety."

The lecture aimed to equip students with essential knowledge about fire science. This included understanding how fires ignite, spread, and can be extinguished. The session also covered fire classifications (A, B, C, D, and K) and the appropriate extinguishing agents for each type. Additionally, students received basic training in first aid for fire-related injuries like burns and smoke inhalation.

## AISSMS Institute of Management Tackles E-Waste Challenge

On March 27th, 2024, AISSMS Institute of Management hosted a timely seminar on "E-Waste Management" as part of the Times of India's CSR initiative "Teach India." This informative session aimed to educate students about the significance of responsible electronic waste disposal and its environmental impact.

The seminar kicked off with a thought-provoking keynote address by Ms. Balamani, emphasizing the critical need for well-defined e-waste management strategies. Speakers addressed the exponential rise in electronic devices and the resulting surge in e-waste generation. They highlighted the importance of adopting sustainable practices to combat the adverse effects of improper e-waste disposal on our environment.

## AISSMS Institute of Management Equips Students for Success

AISSMS Institute of Management's Training and Placement Cell recently organized a valuable Certificate Course on Employability Skills for its MBA II year students. Held from March 18th to 22nd, 2024, this program was designed by Rubicon to bridge the gap between theoretical knowledge and practical application in the corporate world.

## Daikin Air Conditioning Recruits Top Talent at AISSMS ITI

A successful campus recruitment drive was recently held at AISSMS ITI for students enrolled in the Refrigeration and Air Condition Mechanic Trade program.

Representatives from Daikin Air Conditioning India Private Limited, Pune, Mr. Vishal Avalaskar, Senior Manager, and Mr. Avinash Adhaav, Deputy Manager of Customer Service, conducted the interviews. This event provided a valuable platform for final-year students to showcase their skills and knowledge to a leading company in the air conditioning industry.

## AISSMS ITI Motor Mechanic Students Gain Practical Insights at Unnati Motors

Staff and students from the Motor Mechanic Vehicle Junior program at AISSMS ITI, recently had an industrial visit to Unnati Motors. This visit provided them with a valuable opportunity to observe the inner workings of a real-world automotive repair facility.

## AISSMS ITI Celebrates Social Reformers' Birth Anniversaries

AISSMS ITI recently commemorated the birth anniversaries of two great social reformers: Mahatma Jyotiba Phule on April 11th and Dr. Babasaheb Ambedkar, the "Vishwaratna," on April 14th.

The event was held in the presence of dignitaries including Shri Valunj R.D., Deputy Principal, and Shri Savwakhande S.P., Group Director. To honor their legacies, the institute distributed books about these influential figures.

## AISSMS ITI Students Gain Practical Insights at Sumax Enterprises

Staff and students from the Fitter (SR) program at AISSMS Institute of Industrial Training (AISSMS ITI) recently embarked on an enriching industrial visit to Sumax Enterprises Pvt. Ltd., located in Ramtekdi, Hadapsar, Pune. This visit provided a valuable opportunity for students to bridge the gap between theoretical classroom learning and real-world industrial practices.

## AISSMS ITI Students Gain Practical Insights at Sumax Enterprises

Ltd., located in Ramtekdi, Hadapsar, Pune. This visit provided a valuable opportunity for students to bridge the gap between theoretical classroom learning and real-world industrial practices.

## AISSMS ITI Students Shine at APT Pneumatic Recruitment Drive

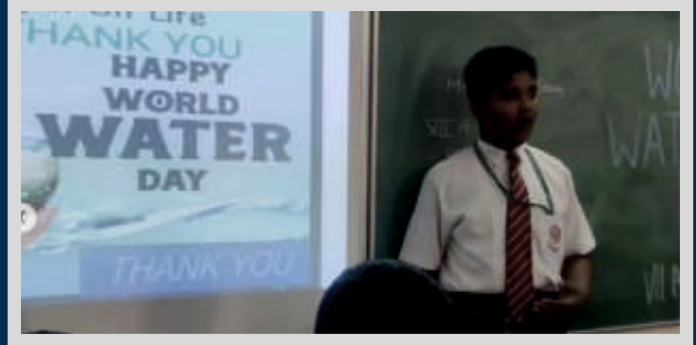

A successful campus recruitment drive was recently held at AISSMS Industrial Training Institute, Boribhadak, for students enrolled in relevant programs. APT Pneumatic Pvt. Ltd., a leading company based in Khedgaon, Pune, conducted interviews.

## AISSMS Pre-Primary Celebrates World Water Day and Sparrow Day

AISSMS Pre-Primary School actively engaged its young learners in raising awareness about important environmental issues in March.

To commemorate World Water Day, students prepared informative presentations on the importance of water conservation. These engaging presentations, delivered within their respective classes, instilled valuable lessons about water scarcity and how to use this precious resource wisely.

## SSPM Day School and Junior College Honors Dr. Babasaheb Ambedkar

SSPM Day School and Junior College commemorated the birth anniversary of Dr. Babasaheb Ambedkar with a heartfelt tribute program held in the presence of staff and students.
